Hi Andy,

The Design Review Board approved by the Selectmen has yet to be appointed. Several of the members of the Design Review Guidelines Committee are interested in volunteering for the new Board. They are:

Lynne Alpert  
Ann Sussman  
Tom Peterman  
Terra Friedrichs

In addition, Holly Ben-Joseph who is a landscape architect is interested. She had previously been on the Transportation Advisory Committee, but is more interested in design issues. Also, another local architect David Crawley is interested. Mr. Crawley is the only person who has not previously been on any committees in town. I am sure he could be available for an interview. I think we had also asked that a member of the Planning Board be on this committee as well, so we need to make a written request for a volunteer from that Board to be on this advisory board.

Sincerely,

Lauren
